Licensing

MVC 257.210 (e) Graduated Licensing

(1) Except as otherwise provided in this act, an operator's or chauffeur's license issued to a person who is 17 years of age or less shall be in a form as prescribed in section 310 beginning July 1, 2003, and is valid only upon the issuance of a graduated driver license.

(2) The secretary of state shall designate graduated licensing provisions in a manner that clearly indicates that the person is subject to the appropriate provisions described in this section.

(3) Except as otherwise provided in section 303, a person who is not less than 14 years and 9 months of age may be issued a level 1 graduated licensing status to operate a motor vehicle if the person has satisfied all of the following conditions: (a) Passed a vision test and met health standards as prescribed by the secretary of state. (b) Successfully completed segment 1 of a driver education course approved by the department of education including a minimum of 6 hours of on-the-road driving time with the instructor. (c) Received written approval of a parent or legal guardian.

(4) A person issued a level 1 graduated licensing status may operate a motor vehicle only when accompanied either by a licensed parent or legal guardian or, with the permission of the parent or legal guardian, a licensed driver 21 years of age or older. Except as otherwise provided in this section, a person is restricted to operating a motor vehicle with a level 1 graduated licensing status for not less than 6 months.

(5) A person may be issued a level 2 graduated licensing status to operate a motor vehicle if the person has satisfied all of the following conditions: (a) Had a level 1 graduated licensing status for not less than 6 months. (b) Successfully completed segment 2 of a driver education course approved by the department of education. (c) Not incurred a moving violation resulting in a conviction or civil infraction determination or been involved in an accident for which the official police report indicates a moving violation on the part of the person during the 90-day period immediately preceding application. (d) Presented a certification by the parent or guardian that he or she, accompanied by his or her licensed parent or legal guardian or, with the permission of the parent or legal guardian, any licensed driver 21 years of age or older, has accumulated a total of not less than 50 hours of behind-the-wheel experience including not less than 10 nighttime hours. (e) Successfully completed a secretary of state approved performance road test. The secretary of state may enter into an agreement with another public or private person or agency, including a city, village, or township, to conduct this performance road test. This subdivision applies to a person 16 years of age or over only if the person has satisfied subdivisions (a), (b), (c), and (d).

(6) A person issued a level 2 graduated licensing status under subsection (5) shall remain at level 2 for not less than 6 months and shall not operate a motor vehicle within this state from 12 midnight to 5 a.m. unless accompanied by a parent or legal guardian or a licensed driver over the age of 21 designated by the parent or legal guardian, or except when going to or from employment.
